ABC will NOT make it mandatory for students to have the covid 19 vaccine, however, it is highly recommended by the CDC and our local health departments. If you have gotten the vaccine and or will be scheduling it in the future please bring proof of vaccination for your confidential student file. This can be emailed and/or texted to either Mrs. Werba or myself. Remember the vaccine is not only to protect you but also your family, friends and in this case fellow ABC Students and Staff.
